Dear Author(s),

Thank you for your interest in HCI International 2015 and the affiliated Conferences and for your paper submission

Submission ID: 887

Paper Title: "Adaptive and personalized educational ubiquitous multi-agent system using context-awareness services and mobile devices

By: Demetrio Ovalle, Oscar Salazar, Néstor Darío Duque Méndez

We are pleased to inform you that based on the comments of the reviewers, your paper has been accepted for publication in the Conference Proceedings and for presentation at HCI International 2015.

The Conference Proceedings will be published by Springer in a multi-volume set. Papers will appear in volumes of the LNCS and LNAI series, indexed by ISI Citation Index, EI Engineering Index, ACM Digital Library, etc. More information about indexing of the LNCS Series is available through the Publisher's website: http://www.springer.com/computer/Incs?SGWID=0-164-6-1068921-0

They will be available on-line through the SpringerLink Digital Library, readily accessible by all subscribing libraries around the world. All Conference participants will receive in their registration bags the Conference Proceedings in DVD format.

The synthesized reviewers' comments are appended at the bottom of this e-mail.

Please send the final, camera-ready version of your paper (full papers, typically 10 pages, with minimum 8 pages long, maximum 12 pages long) by Friday, 20 February 2015 at the latest.

In preparing it, please follow the formatting guidelines that are available through the Conference website at: http://2015.hci.international/guidelines-for-final-camera-ready-papers

Please note that we will only accept electronic submission of your paper, which you can upload via the Conference Management System:

https://cms.hci.international/2015/

IMPORTANT NOTE: According to the Registration Regulation for HCI International 2015 and the affiliated conferences, for paper presentation at the Conference and publication in the Proceedings, a unique registration of one (co-)author per paper is required by 20 February 2015. Individuals may appear as co-authors in several papers / posters, but multiple registrations per author / participant and multiple submissions of single-authored papers / posters cannot be accepted.

Detailed information about the registration is available at:

http://2015.hci.international/registration

You are also encouraged to book accommodation at your earliest convenience. For hotel information please visit: http://2015.hci.international/accommodation

If you need a visa to travel to USA, please make sure to submit your visa application well in advance, because usually this is a time consuming process.

Your contribution to HCI International 2015 and the affiliated Conferences is very much appreciated and we look forward to welcoming you in Los Angeles, CA, USA, hoping that your participation will be both rewarding and enjoyable.

Kindest regards. Constantine Stephanidis General Chair, HCI International 2015

Dear

Mauricio Giraldo Ocampo, Emilcy Juliana Hernández Leal, Daniel Andrés Espinosa Gómez, Néstor Darío Duque Méndez, Julián Moreno Cadavid

On behalf of the Eleventh Latin American Conference on Learning Objects and Technologies Organizing Committee, we are pleased to inform you that your paper "Aplicación de una herramienta técnica de apoyo al proceso de inclusión de personas con discapacidad visual en una plataforma educativa web (119)" has been ACCEPTED as SHORT PAPER to be presented at LACLO 2016.

LACLO this year is in its 11th edition and will be held on October 3-7, 2016, in the beautiful city of San Carlos, Costa Rica.

Please note that at least one of the authors of accepted papers should register online to the conference by 31 August, 2016. In order to do that, please visit: http://tecdigital.tec.ac.cr/servicios/laclo2016/registro.html.

Accepted and presented full and short papers will be indexed and published by IEEE Xplore Library. Please note that, according to the IEEE Conferences No Show Policy, we should notify you that "IEEE reserves the right to exclude a paper from distribution after the conference (e.g., removal from IEEE Xplore) if the paper is not presented at the conference". Therefore, please take into serious consideration this notification when planning your participation to the LACLO 2016 Conference.

The camera-ready version of your paper should be uploaded to the LACLO submission web site no later than 1 September, 2016. Please consider the reviewers' comments that were made to your paper when preparing the final version of your paper. It should be prepared using the templates available at http://www.ieee.org/conferences/events/conferences/publishing/templates.html. Please remember that full papers have a page limit of 12 pages, and short papers of 6 pages. The title and abstract must be in English.

Soon we will be in touch with authors to give them information regarding how to submit the IEEE Copyright Form.

We hope to see you at LACLO 2016! If any question, please contact us at laclo2016@tec.ac.cr.

Best,

Dr. Mario Chacón Rivas General Chair LACLO 2016

Dear

Valentina Tabares Morales, Néstor Darío Duque Méndez, Mauricio Giraldo Ocampo, Paula Andrea Rodríguez Marín, Demetrio Arturo Ovalle Carranza

On behalf of the Eleventh Latin American Conference on Learning Objects and Technologies Organizing Committee, we are pleased to inform you that your paper "Plataforma Adaptativa para la Búsqueda y Recuperación de Recursos Educativos Digitales (141)" has been ACCEPTED as SHORT PAPER to be presented at LACLO 2016.

LACLO this year is in its 11th edition and will be held on October 3-7, 2016, in the beautiful city of San Carlos, Costa Rica.

Please note that at least one of the authors of accepted papers should register online to the conference by 31 August, 2016. In order to do that, please visit: http://tecdigital.tec.ac.cr/servicios/laclo2016/registro.html.

Accepted and presented full and short papers will be indexed and published by IEEE Xplore Library. Please note that, according to the IEEE Conferences No Show Policy, we should notify you that "IEEE reserves the right to exclude a paper from distribution after the conference (e.g., removal from IEEE Xplore) if the paper is not presented at the conference". Therefore, please take into serious consideration this notification when planning your participation to the LACLO 2016 Conference.

The camera-ready version of your paper should be uploaded to the LACLO submission web site no later than 1 September, 2016. Please consider the reviewers' comments that were made to your paper when preparing the final version of your paper. It should be prepared using the templates available at http://www.ieee.org/conferences/events/conferences/publishing/templates.html. Please remember that full papers have a page limit of 12 pages, and short papers of 6 pages. The title and abstract must be in English.

Soon we will be in touch with authors to give them information regarding how to submit the IEEE Copyright Form.

We hope to see you at LACLO 2016! If any question, please contact us at laclo2016@tec.ac.cr.

Best,

Dear Author(s),

Thank you for your interest in HCI International 2016 and the affiliated Conferences and for your paper submission

Submission ID: 899

Paper Title: "Adaptable and Adaptive human-computer Interface to recommend Learning Objects from Repositories " By: Oscar Mauricio Salazar Ospina, Thomas Quiroz Vásquez, Demetrio Arturo Ovalle Carranza

We are pleased to inform you that based on the comments of the reviewers, your paper has been accepted for publication in the Conference Proceedings and for presentation at HCI International 2016.

The Conference Proceedings will be published by Springer in a multi-volume set. Papers will appear in volumes of the LNCS and LNAI series, indexed by ISI Citation Index, EI Engineering Index, ACM Digital Library, etc. More information about indexing of the LNCS Series is available through the Publisher's website: http://www.springer.com/computer/Incs?SGWID=0-164-6-1068921-0

They will be available on-line through the SpringerLink Digital Library, readily accessible by all subscribing libraries around the world. All Conference participants will receive in their registration bags the Conference Proceedings in electronic format.

The synthesized reviewers' comments are appended at the bottom of this e-mail.

Please send the final, camera-ready version of your paper (full papers, typically 10 pages, with minimum 8 pages long, maximum 12 pages long) by Friday, 12 February 2016 at the latest.

In preparing it, please follow the formatting guidelines that are available through the Conference website at: http://2016.hci.international/guidelines-for-final-camera-ready-papers

Please note that we will only accept electronic submission of your paper, which you can upload via the Conference Management System:

https://cms.hci.international/2016/

IMPORTANT NOTE - Registration Regulation:

In order to provide a greater opportunity for more people to present at the conference, multiple submissions by single authors cannot be accepted. Co-authors may appear on multiple papers, but each accepted paper, or poster, with multiple co-authors should have a different conference registrant. For paper presentation at the Conference and inclusion of the full paper in the Proceedings, at least one registration per paper is required by 12 February 2016.

Detailed information about the registration is available at:

http://2016.hci.international/registration

You are also encouraged to book accommodation at your earliest convenience. A number of rooms have been reserved at The Westin Harbour Castle Hotel (conference venue and main conference hotel) to be allocated on a first-come-first-served basis, while reduced rates have been agreed with the hotel. For more information please visit: http://2016.hci.international/accommodation

If you need a visa to travel, please make sure to submit your visa application well in advance, because usually this is a time consuming process.

Your contribution to HCI International 2016 and the affiliated Conferences is very much appreciated and we look forward to welcoming you in Toronto, Canada, hoping that your participation will be both rewarding and enjoyable.

Kindest regards. Constantine Stephanidis General Chair, HCI International 2016
